The Summer and Fall has come and gone. Thanksgiving has just passed and Christmas is just around the corner. Time is running out to get those last minute repairs and fixes done before we put our Metropolitans away for the Winter. Plans for our Holiday party are in the works and the details will be finalized soon. In the past year we have added some new members to our club. We have also added a couple more events to the calendar. We have also had good attendance at many of our events this year.

After the Holidays our first get together will be in January at Pheasant Run for a dinner and play. After that at the end of February is the British Swap Meet at the DuPage fair grounds in Wheaton. At 12:00p.m. (Note the time change) We will have our Membership Meeting on March 7th at the Oakfield Restaurant; we will also plan our calendar for the year. We would like as many members as possible to attend. If anyone has an idea for a outing, tech session or a get together and cannot attend the meeting, please call or e-mail one of your officers. We can add it to the calendar. So until we meet again Marge and I wish everyone a safe and healthy Holiday season and a Happy New Year.

MESSAGE FROM THE EDITOR

I was able to attend a couple of events later this past year. I had a lot of fun at the Greenlee’s End of Summer Picnic and also attended the November Membership Meeting. I only took the Met out a couple of times this year. Now the Met is going to hibernate for the Winter months only to be started monthly while slumbering. Again, if you know anyone willing to help us out with color copies, give me a call at 773-206-9607 or email me at erd1@sbcglobal.net.
